

## **Hear My Voice**

**When someone listens to me  
or asks my advice  
They make me know  
that I know  
about what they are asking.**

**Residents' Rights are important  
For staff members to know  
because it will make  
our home a better place.**

**Here, we make decisions.  
They listen to us  
and try to help us.  
They hear my voice.**
